Sample Medical/Dental School Interview Questions

Before the interview:

Ask what type of interview will it be?
Interviews can be one-on-one, station, or panel designs. It is important to know what to expect so that you are not surprised.

You can also ask how long will the interview be?

Dress professionally, plan for inclement weather

Practice. Practice. Practice.
You can contact the Office of Career Development to Schedule a Mock Interview. Email Dr. Evans, evanstm@uthscsa.edu at least 2 weeks prior to your interview. She can meet with you as well as help to find a faculty member who has sat on an admission committee to help with this process.
