Infection, Inflammation & Immunity
Department of Microbiology and Immunology
Did You Know?

Currently, 50% of our doctoral graduate students are on a training grant or fellowship.

In the past three years, ~28% of our doctoral students received funding from grants and/or fellowships during their graduate school career.

Research Labs

Molecular & Cellular Immunology
M. Berton  P. Casali  P. Dube
H. Zan  C. Orihuela  Z. Xu
J. O’Connor  L. Giavedoni  E. Kraig

Autoimmunity
P. Casali  H. Zan  Z. Xu
E. Kraig

Cancer Immunology
T. Curiel  R. Ruprecht

Immunomodulators, Vaccines and Diagnostics
J. Baseman  B. Wickes  G. Zhong
A. Griffiths  A. Hayhurst
L. Giavedoni  R. Ruprecht

Viral Pathogens
Y. Xiang  L. Giavedoni  A. Griffiths
D. Ivanov  J. Patterson  R. Ruprecht
R. Landford  S. Ahuja

Bacterial Pathogens
J. Baseman  T.R. Kannan  M. Berton
P. Dube  C. Orihuela  G. Zhong
D. Kolodrubetz

Fungal Pathogens & Parasites
D. Kadosh  B. Wickes  P. LoVerde

Former Students – Where are they now?

Delma Childers, PhD 2012, Post-doctoral Fellow, University of Aberdeen, Aberdeen Scotland
Addie Embry, PhD, 2011, Post-doctoral Fellow, UT Southwestern, Dallas TX
German Gornalusse, PhD, 2010, Post-doctoral Fellow, University of Washington, Seattle WA
Chris Mares, PhD 2010, Assistant Professor of Research, University of Texas San Antonio, San Antonio TX
Sabrina Shandle, PhD, 2008, Program Manager, Hyperion Technology, San Antonio TX
Shonna McBride, 2005, Assistant Professor, Emory University, Atlanta GA
Rita Tamayo, PhD, 2004, Assistant Professor, University of North Carolina, Chapel Hill NC

Our students take part in:

Journal clubs
Student seminars
Faculty seminars
Faculty recruitment
Student recruitment weekends
Local, state-wide and national conferences
Science fair judging panels
Intramural sports
School-wide committees and clubs
